

# Introducing DT Connectors

## Assorted Box of DT Connectors

Heavy duty waterproof connectors designed to prevent dirt, grit, moisture and damp damaging wiring joints/crimped connections. For a professional crimp use Part No TL938.

Part No.	Box of
<b>AB521</b>	<b>152 Pieces</b>

Kit contains:  
2 pin, 3 pin, 4 pin, 6 pin, 8 pin, 12 pin, plus wedges, locking plates, blanking stems plus male & female terminals.

## 4-Way Indent Crimping Tool

Crimping tool for male and female DT terminals.

- 4-way jaw action offers a professional crimp on the terminal
- Ratchet mechanism releases only after a proper crimp force has been applied
- Also crimps DTM terminals
- One handed action holds the cable in place in the terminal preventing slippage
- For cable diameter: 1mm<sup>2</sup> - 2mm<sup>2</sup>
